

CLASS OF 2026

SCHOOL OF RHETORIC

SENIOR REGISTRATION

It's time to register for the 2025-26 school year!

Read through the important information for incoming seniors in this packet and then use the registration worksheet to guide your course selection. Additional information and course descriptions may be found in the online course catalog on the Eagle Ridge Academy website: eagleridgeacademy.org/school-of-rhetoric-resources. Students must complete the registration sheet and return it to their study hall instructor the week of January 6, 2025.

IMPORTANT DATES FOR INCOMING SENIORS

The school counselor will meet with students during the week of **December 2** to discuss registration.

Registration will open for students currently in grades 8-11 on **Monday, January 6**. Students submit their registration to their study hall instructor. All currently enrolled students must register for the 25-26 school year. Registration forms should be returned by **Friday, January 10**.

Registration will officially close on **Friday, January 31**. Courses will be assigned to those who do not register depending on class availability, and course requests for 2025-2026 close at this time.

Before registration, take time to talk with your current teachers about future courses.

For more information on any of these events, please visit eagleridgeacademy.org or contact Linda Kaiser, Academic Counselor, at 952-746-7760 x 2127 or lkaiser@eagleridgeacademy.org.

BROWSE THE 2025-26 COURSE CATALOG

Scan the QR code to browse the 2025-26 Course Catalog. In the Course Catalog, you can read course descriptions, prerequisites, credits and other details. You will also find information regarding grading, college admissions and academic planning.

Use the Course Catalog to help you complete the registration sheet at the back of this packet.

**THANKS FOR REGISTERING,
EAGLE RIDGE ACADEMY
SCHOOL OF RHETORIC
CLASS OF 2026!**

COLLEGE PREPARATION & CREDIT OPPORTUNITIES

The School of Rhetoric academic programming was created to include a breadth of disciplines within the Liberal Arts tradition. We take pride in our curriculum, which challenges scholars to think, speak, and make informed decisions. As a result, students leave Eagle Ridge Academy educated on how to be more knowledgeable and exemplary citizens. This firm foundation prepares our students to be accepted into their first-choice post-secondary institution and instills the necessary skills and knowledge for success later in life.

ADVANCED PLACEMENT (AP®)

The College Board designs Advanced Placement (AP) courses for students in Grades 10-12, which means AP courses in any high school utilize a standard set of learning objectives. This gives students the chance to tackle college-level work while they are still in high school. Students will see and feel what college work is like while receiving the support to help them get there. AP courses enable students to stand out in college admissions and skip introductory classes. At the end of the course, students can take the AP exam, possibly earning college credit.

Students can dig deeper into subjects that interest them, develop advanced research and communication skills, and learn to tap into their individual creative, problem-solving, and analytical potential. Students interested in earning the AP Capstone diploma must take AP Seminar their junior year as a prerequisite to AP Research their senior year. To earn the AP Capstone diploma, students must earn scores of 3 or higher in AP Seminar and AP Research, and on 4 additional AP exams of their choosing.

Each college differs regarding what is accepted for AP scores and how credit is honored. For more information, go to collegeboard.org. See page 7 for more information about AP course grades and weighting.

ADVANCED COURSES

Courses at Eagle Ridge Academy are taught with a high level of rigor, aligning with college-credit bearing tests. Students taking Humanities: Renaissance World (Gr. 11) may opt to take the **AP Language and Composition** exam. Students taking Humanities: Modern World (Gr. 12) often take the **AP Literature and Composition** exam.

PARTNERED LEARNING COURSES

Nova Classical Academy

Nova Classical Academy and Eagle Ridge Academy have joined forces to provide our students the opportunity to take courses with traditionally low enrollments. A host school is designated to own the course and the other will participate via live-time technology such as Zoom or Adobe Connect. Students at both sites will earn the same credit for the course upon completion.

For the 2025-2026 academic year, Nova will be the host school for **Classical Greek 1** and **AP Calculus BC**. ERA will be the participant school, joining in classes in live time. The classes will take place during the school day at a designated hour that works for both schools. Eagle Ridge will be the host school for **AP Economics**, **AP Psychology**, and **AP United States Government & Politics**.

College in the Schools (CIS)

CIS is a collaborative program offered through the University of Minnesota. Students in CIS are concurrently enrolled, taking a college course through a collaboration with Nova Classical Academy. The CIS course offered in 2025-2026 is **CIS Classical Greek 1** (live online with NCA). In CIS courses, students can earn free college credits that are highly transferrable, demonstrate their learning on multiple and varied assessments throughout the course (rather than on a single, high-stakes test), and experience the fast pace and increased rigor of U of MN courses.
